PTA & Civic Clubs To Split Profits Halloween Party

The Pahokee Parent-Teacher Association at the September meeting held Monday night in the high school auditorium voted to sponsor again this year a Halloween carnival for the children of the community on Friday evening, Oct. 31. PTA will make a special effort to encourage all civic organizations to sponsor booths or other entertainment projects at the carnival, net proceeds from the projects to be divided equally by the civic groups and PTA. The contest to name the king and queen of the carnival will be conducted by the five upper grades in high school, each grade, eighth through twelfth, to sponsor king-queen candidates in the contest.

It was also voted that PTA sponsor panel discussions for the purpose of bringing into the open and settling problems that involve the student, the teacher and the parent which may arise during the current school year; also to cooperate in local civil defense work and sponsor a first aid training course at the school. Pahokee Cub Scouts will also be sponsored by PTA for another year.

In a move to increase membership, a \$5 cash award to each school room reporting 100 per cent PTA membership of parents by Nov. 30 was announced. It was decided to discontinue attendance awards at monthly meetings on a trial basis, for three months. To encourage attendance, a nursery for small children will be held during each monthly meeting, teachers to be in charge of the nursery through the entire school year.

651 Pupils Enter Pahokee Schools For 1952-53 Term

A total of 651 pupils were enrolled at Pahokee Schools at the completion of the registration on the opening day, Monday, 286 in the high schools and 365 in the elementary school, according to Principal Clyde A. Canipe. Of these 325 are boys and 326 girls.

This represents an approximately 15 per cent increase over last year's enrollment of 568 on the first day of school. The most sensational increase in the enrollment is in the first grade which had 81 pupils on the first day of school this year as compared to 46 last year, an increase of over 75 per cent, and it is reported more first graders enrolled on Tuesday.

The enrollment of the other grades on the first day was as follows: Second grade, 60; third, 57; fourth, 57; fifth, 57; sixth, 44; seventh, 36; eighth, 38; ninth, 45; tenth, 55; eleventh, 37 and twelfth, 35.

The 1952 Crusade for Freedom in support of Radio Free Europe will be held in November. The goal will be four million dollars for maintenance of present radio stations and construction of others.

Teacher Reception By Canal Pt. Lions

The Lions Club held a Reception for the new teachers and principal last Monday evening. Those present as guests were Mr. and Mrs. Clyde Alley, Mr. and Mrs. Huddle, Mr. and Mrs. Burr, Mr. and Mrs. Crandal, Mrs. Cabri, and Miss Bianchi Rosa. Mr. Alley, the new principal, gave a talk "The Man's Part in the P. T. A.". Next Monday evening, Sept. 15th, the Lions will have as their guest Capt. Frank L. Altman, Commanding Officer of the Crash Rescue Boat Squadron, who will show films about the Air Rescue. All Lions are urged to make it a 100 per cent attendance night.

Foot Ball Clinic Lair Field Tonite

The second annual Lions Football Clinic of the Glades area will be held on Lair Field in Pahokee Friday, Sept. 12, at 8 p. m., with the Pahokee Blue Devils, the Belle Glade Golden Rams and the Clewiston Tigers taking part.

Each team will give brief demonstrations of some of their running and passing plays which will be explained by their coach, as the play is being executed. Game conditions will be simulated in five minutes of intersquad scrimmage.

Some of the County football officials who will officiate at games during the coming season will be present to explain new football rules, point out the most common violations of the rules that draw penalties and demonstrate the arm signs given by officials to indicate the type of violation made by a player or team.

Tickets to the clinic will be \$1 for adults. Students will be admitted free. Proceeds from the clinic will go into the fund which the Lions are raising to finance their annual banquet for the football squads of Pahokee and Belle Glade High Schools, sponsored jointly by the Lions Clubs of the two cities.

Hubert Tillery To Work For The State

Hubert Tillery, who has successfully managed the Alfarr Creamery plant in Belle Glade for 15 years, has resigned his position and will go to work for the State of Florida around Sept. 15, according to information made public by Cliff Green, superintendent of the Glades State Prison Farm.

Mr. Green said that Mr. Tillery will be ranch superintendent for the state on its new project at the old Riddle air field west of Clewiston where state plans call for establishment of a 2500 acre cattle ranch. A house is being made ready for the Tillery family and they will probably move in around the 15th of this month.

The Everglades News joins Mr. Tillery's thousands of friends in the Glades in wishing him the best of luck and success in his new venture.

Funeral Services Held Tuesday For Harold Rosenberg

Harold Arthur Rosenberg, 45, widely known Everglades drainage official was killed in an automobile accident late Friday night, Sept. 5, near Panama City.

Funeral services were held Tuesday at 5 p. m. at the Pahokee Elks Lodge No. 1638 in charge. The Rev. James R. Roy, pastor of the Canal Point Methodist Church, served as honorary chaplain. Music was furnished by the Elks Quartet of West Palm Beach.

Fullbearers (active) were Edward A. Jensen, O. R. Bleech, Ocoola Upthegrove, John D. Rogers, Dr. Charles E. Creel and Jack Repper. Members of the Pahokee Rotary Club and the Pahokee Elks Lodge were honorary pallbearers.

Mr. Rosenberg came to Florida from Buffalo, N. Y., and resided in Lake Worth before coming to Canal Point where he had made his home for the past 20 years. During the past 16 years he has served as secretary and treasurer of the Pahokee Drainage District, the Pelican Lake Drainage District, the East Shore Drainage District and the East Beach Drainage District.

He was past exalted ruler of the Pahokee BPOE Lodge No. 1638, immediate past president of the Pahokee Rotary Club and an active leader in civic betterment projects.

He is survived by his wife, Elizabeth (continued on page 8)

Time Limit Set By Pahokee PTA On Monthly Programs

It was announced high school students will not be admitted to regular PTA meetings except by special invitation and the time allotted to program activities at each meeting will be limited to 30 minutes.

Mrs. Doris Sasser, the new president, spoke briefly of PTA goals for the coming year, then introduced Principal Clyde A. Canipe who in turn introduced the teachers of Pahokee Schools from the stage of the auditorium.

Mrs. Sasser also introduced the other new PTA officers who will serve with her, including standing committee chairmen: Dr. E. C. Johnson, health; Mrs. M. I. Lair, exceptional children; R. O. Lampi, music; Mrs. Arch Blakey, room mothers; Mrs. E. L. Pope, school cafeteria; Mrs. H. L. Carter, flowers; Mrs. Miller, hospitality; Mrs. Roy Vandegrift, Jr., budget and finance; Mrs. George Arceneaux, program; Mrs. Don Hall, membership, and Mrs. John A. Dulany, publicity.

Following the meeting the teachers were guests of honor at the reception in the school cafeteria where refreshments were served by PTA, with Mrs. Don Hall, Mrs. Billy McKinstry, Mrs. A. Beverly, Mrs. Ernest Maxwell and Mrs. Ed Jensen acting as hostesses.

It's Up To State Road Dept. Now To Build Glades Bridges

A concerted effort to push construction of four new bridges in the Everglades was carried to the State Capital this week by a delegation of county commissioners.

The delegation, headed by Commission Chairman Kenneth Foster, held conferences this week with members of the State Road Department in an attempt to have the four projects included in the SRD October call for bids.

Attempts to launch early construction of the four spans have been directed by Glades Commissioner Paul Rardin who this week was commended in letters from the Glades Citizen Committee and the Canal Point Lions Club. The letters, read at the commission meeting this week, commended members of the board for their efforts to get the bridge projects under construction and for the safety precautions that have been taken at all four spans in an attempt to cut down traffic accidents.

Lois Echols Gets BS Nursing Degree

ATLANTA — Miss Lois Lucille Echols daughter of Mr. and Mrs. Grady Echols of Canal Point, received a Bachelor of Science in Nursing degree at Emory University's summer graduation ceremonies here August 29.

Graduation was held in the outdoor Glenn Memorial amphitheater on the Emory campus at 6:00 p. m., with Dr. Allen Albert, public relations director for Lockheed Aircraft, Marietta, as baccalaureate speaker. Dr. Albert is on leave from Emory, where he is professor of sociology and head of the sociology department.

About 175 degrees were conferred, including degrees in librarianship, religious education, theology, education, teaching, nursing, medicine, law, and business administration, as well as Bachelor of Arts degrees. Two students in chemistry earned their Doctor of Philosophy degrees. Mr. and Mrs. Echols attended.

W. L. Collins Is New Belle Glade Mayor

Harold J. Rabin was elected and Walter Ashley was re-elected to the five-man Belle Glade City Commission Tuesday. At the organization meeting of the new council held Wednesday night W. L. Collins was named mayor and Harold Rabin was chosen vice mayor.

With 230 votes, Rabin, who served one year as mayor in 1949-50, defeated three other Northboro candidates: W. F. Crider, incumbent, 187 votes; William A. Thibaud, 175; and Clyde Parrish, 69.

With 362 votes, Ashley, Centralboro incumbent, defeated Milton T. Burry, who polled 299 votes.

Of about 1,250 registered, 788 persons voted. The commissioners were named for a two-year term. Holdover commissioners are H. O. Carlton, W. L. Collins and Herman Close.

Defense authorities urge housewives to have a good supply of band-aid bandages on hand for any emergency.

The projects, Six Mile Bend, Canal Point, Lake Harbor and South Bay, have all been certified to the State Road Department which has acknowledged receipt of right of way deeds for each of the spans.

The next step, according to the commission, is to push for an early call for bids on the bridges and early start on construction of the spans.

In other actions by the board at a brief meeting this week,

Resolutions of condolence were adopted in the deaths of Dr. William Weems, West Palm Beach, and Harold Rosenberg, Canal Point. Dr. Weems died in a traffic accident over the Labor Day holiday and Rosenberg, officer in four drainage districts in the Glades, was fatally injured in a traffic accident over the weekend.

Proclaimed the week of Sept. 14 to 20 as Constitution Weeks in the county and set Sept. 17 as Constitution Day.

Heard that plans had been completed for a county-wide traffic safety clinic to be held Sept. 12 under the auspices of the commission, had been completed. The session, for which Judge E. G. Newell will be moderator on the safety panel, will be held at the court house starting at 10:30 a. m.

Authorized the county engineer and county attorney to proceed with procurement of right of way for three remaining parcels for widening Atlantic Ave. in Delray Beach and for Selby Road Extension in West Palm Beach.

Received bids for construction of another comfort station at Phipps Ocean Park in Palm Beach and for operating a snack bar at the county's new passenger terminal at International Airport. The bids on both projects were referred to County Engineer J. M. Boyd for study.

Choir Director

W. A. Clauter, who regently joined the Pahokee High School faculty as a car driving instructor, has been appointed director of the Adult Choir at the Pahokee First Methodist Church. Choir rehearsals are being held every Wednesday night following the midweek prayer service. All persons interested in the choir work are invited to attend.

City Of Pahokee Makes Public Its Budget For 1952-53

A general budget of \$108,500 for the City of Pahokee for the new fiscal year starting Oct. 1 was accepted by the City Council at a regular meeting Monday night. In addition the council accepted a waterworks budget of \$53,000. The new budget totals are slightly above those of last year which were set at \$101,150 for general operations and \$48,000 for the waterworks.

The tax levy for the new fiscal year was set at 15 mills, the same as last year. Ten mills will be allotted to the city for general operations; four mills, to the Everglades Memorial Hospital sinking fund and one mill for the retirement of bonds on the city hall, jail and fire station.

M. P. Stanley and C. A. Batchelor, members of the local hospital board, and Harold Wetzel, new hospital administrator, appeared before the council with a request for relief from the hospital's \$500 water bill. It was revealed that the type of air conditioning system now in use at the hospital is very wasteful of water and is the cause of the excessive bills. The council voted to let the hospital have water for three months for \$90 and ask for bids for a new improved air conditioning unit that

reuses the water and doesn't waste it.

Police Chief Leon Guthrie announced he will cooperate with the hospital in the collection of fees for emergency cases brought to the hospital by members of the city police department.

Councilman J. H. Wilkinson, Jr., was named to represent the city on an advisory committee to Company E, 211th Inf., Florida National Guard. The purpose of the committee is to help rebuild the Glades unit of the National Guard which was represented at the meeting by Capt. John Hooker. The council voted to lend the city's voting machine to South Bay for use in the coming city election there.

In a gesture of good will to Dr. D. S. Spooner, pioneer Pahokee physician, who was seriously hurt in a recent accident and is now receiving treatment at a Miami hospital, the councilmen voted to turn over their council meeting fees to Dr. Spooner to help him meet hospital expenses.

Rainfall Shows A 4.89 Inch Shortage

Many farmers on the Pahokee Canal Point area are of the opinion that rainfall in this area is far below normal. The fact is that this section has only 4.89 inches deficiency, according to data in the Pahokee Drainage District office in Canal Point.

Official figures from January 1 through Aug. 31 show 33.67 inches rainfall. Normal rainfall for the same period is 38.56 inches, leaving a deficiency for the eighth months period of 4.89 inches.

Mr. and Mrs. Jess M. Elliott have as their guest his mother, Mrs. E. M. Elliott of Spooner, Wis.

Roy E. Michael, Jr. New Board Member

A former Pahokee high school teacher, Roy E. Michael, Jr., was nominated county commissioner in District 3 to succeed the late John Prince in a special primary held on Tuesday. Young Michael defeated the incumbent appointee, Herb Evans, by the following vote:

Michael 3207
Evans 1639

Mr. Michael is a member of the Lake Worth city commission and a school trustee. His nomination in the special primary is tantamount to election in the general election in November, there being no Republican opposition. Young Michael carried all of the 14 precincts in the district.

In the first special primary, in which Michael and Evans were top candidates in a field of six, 4,949 votes were cast compared to 4,760 in the runoff. There are 12,675 registered Democrats in the District.

Driving Course Is Added To Schools

W. A. Slauter, formerly of Lorain, Ohio, has been employed by instruction as car driver's training the County Board of Public Instruction at Pahokee and Belle Glade High Schools during the coming school year, according to Clyde A. Canipe, principal of Pahokee Schools.

Mr. Slauter first organized driver's education courses in Yuma, Ariz., and has taught the same subject in Florida Schools. He and his family are moving into one of the Stuckey houses on Canal Point Road.

The movement to get driver's training courses added to the curriculum of Pahokee and Belle Glade High Schools was started last spring by the Pahokee Rotary Club after the recklessness of local teenage driving was brought to the club's attention and the movement was soon backed by other civic groups of both communities. Students 16 years or older will be eligible to take the course which will earn one-half of a credit when completed.

R. J. In Hospital

Rollo J. Simonson, Pahokee pioneer farmer, is a patient at Good Samaritan Hospital, West Palm Beach, where he is recuperating from an emergency appendectomy performed shortly after he was admitted to the hospital Saturday. His condition was reported this week to be satisfactory.

CARD OF THANKS

I wish to express thanks to my many friends for the lovely flowers, cards and messages of sympathy sent during the death of my father.

Get more power at less cost with a Dodge truck!

... says A. Keuning, Pres., Puente Ready Mix, Inc., Puente, California

"Dodge power really puts out the work at low cost!"

"We use four Dodge 'Job-Rated' trucks in our operation—and Dodge power really puts out the work at low cost! Most of our work is off the highway over mud holes, ditches, and sloppy ground. But that means nothing to a Dodge, because Dodge power pulls us through anything!"

"A Dodge truck doesn't 'two-bits you to death' either. Rarely do we have any maintenance expense and when we do, it's legitimate wear and tear we can reasonably expect. Our Dodge trucks are ready to go 365 days a year!"

It Is Unlawful For Any Person Or Persons To Engage In Business Under A Fictitious Name Unless The Name Is Registered

The fictitious name statute was recently changed by the 1951 Legislature and the News has the necessary forms for proper registration and advertising.

The charge for advertising the notice the necessary four times is \$15.

As amended by the 1951 session, the law reads as follows:

"It shall be unlawful for any person or persons, as defined herein, to engage in business as herein defined, under a fictitious name as herein defined, without and unless said fictitious name shall be registered with the clerk of the circuit court of the county where the principal place of business is, which registration shall consist of filing with the clerk aforesaid an affidavit signed by all interested persons, stating under oath the names of all those interested in the business enterprise, the extent of the interest of each, and the fictitious name under which said business is carried on. Said registration may not be made until the person or persons desiring to engage in business under a fictitious name shall have advertised his or their intention to register said fictitious name at least once a week for four (4) consecutive weeks in some newspaper as defined by law in the county where said registration is to be made, and said registration shall not be accepted by the clerk of the circuit court except upon receiving proof of such publication."

Pahokee Baptist Church Is Scene Of Jensen-Crews Wedding Sunday

The First Baptist Church of Pahokee was the setting for the marriage of Miss Sibyl Marie Jensen, daughter of Mr. and Mrs. Axel Jensen, former Pahokee residents now living in West Palm Beach, and Ralph Marion Crews, son of Mr. and Mrs. George M. Crews, Sr., of Pahokee, at 5 p. m., Sunday, Sept. 7, with the Rev. W. Hal Hunter, pastor, officiating at the double ring ceremony.

The marriage vows were spoken before the candle-lighted altar which was decorated with baskets of white gladioli and banked with palms.

Miss Donna Jo Spooner, soloist, sang "Because" and "At Dawning," accompanied at the piano by Miss Carol Carpenter, who also played the traditional wedding marches.

The bride, given in marriage by her father, wore a gown of white lace and organza fashioned with a fitted bodice, short lace, bolero, lace mitts and a full skirt of tiered ruffles. Her fingertip veil of nylon tulle fell from a small lace-covered hat which was fashioned and made by the bride, as was her gown. She carried a white satin prayer book topped with a white orchid and showered with satin

streamers and sweetheart roses. Miss Wynell Jensen, sister of the bride and maid of honor, wore a gown of blue eyelet embroidered organza over taffeta. Her flowers were pink and white baby crysanthemums arranged as an old-fashioned nosegay.

The Misses Frances and Mary Ellen Crews, sisters of the bridegroom, were bridesmaids. They wore gowns of yellow and pink, respectively, fashioned identical to that of the maid of honor and carried nosegays of blue and white and yellow and white baby crysanthemums.

David W. Ramey of Pahokee and Gainesville was Mr. Crews' best man. Billy Ray Evans of Belle Glade and Charles Sears of Canal Point served as ushers.

Mrs. Jensen chose for her daughter's wedding an aqua sharkskin dress with white accessories and a corsage of white crysanthemums. Mrs. Crews, mother of the bridegroom, wore a blue lace dress with white accessories and a white crysanthemum corsage.

Following their wedding trip, Mr. and Mrs. Crews will reside in Gainesville where he is beginning his junior year at the University of Florida.

Miss Sybil Marie Jensen Honored With Shower, Party At Woman's Club

Miss Sibyl Marie Jensen, bride-elect of Ralph Marion Crews, was complimented at a recent party and shower in the Woman's Club building. Hostesses were Mrs. James Vandegrift, Mrs. E. A. Jensen, Mrs. O. R. Bleech, Mrs. Robert Henderson, Mrs. E. C. Johnson, Mrs. Alex Johnson, Miss Patsy Batchelor and Miss Christine Unwin.

A color motif of yellow and green was used by the hostesses in the clubhouse decorations and a yellow pom pom corsage was presented to the honoree.

At the center of the refreshments table was a miniature white church with a bride and groom at the entrance. On the gifts table the gifts were fastened to ends of yellow streamers pouring from the spout of a decorated sprinkling can.

Mrs. C. A. Canipe was in charge of the entertainment. Miss Joyce Holder sang "Make Believe" and Mr. and Mrs. Chandler McIlwain sang "Love Somebody" and "Nevertheless," accompanied at the piano by Mrs. H. C. Graham.

Mrs. Jensen poured at the punch bowl while Mrs. Bleech served portions of cake.

Select Room Mothers For PTA

Mrs. Arch Blakey, newly appointed chairman of the room mothers at Pahokee Schools, has called for an open meeting of mothers and teachers of all children of the Elementary School, first through the sixth grades, to be held at the school Wednesday, Sept. 17, at 2:30 p. m., and another meeting an hour later on the same day at 3:30 p. m. of mothers and teachers of students of the High School, seventh through twelfth grades. The purpose of these meetings is to select room mothers for the coming year.

Coke Party Given For Sibyl Jensen

Mrs. Chandler McIlwain and Mrs. Franklin Gillis entertained at Mrs. McIlwain's home in the Cochran Apts. Thursday of last week with a Coke party in compliment to Miss Sibyl Marie Jensen, bride-elect of Ralph Marion Crews. Mrs. McIlwain was in charge of the guest book.

Williams - Nelson

Mr. and Mrs. J. E. Williams of Canal Point announce the engagement and approaching marriage of their daughter, Miss Dolores Marlene Williams, to John H. Nelson, son of Mr. and Mrs. James S. Nelson of St. Augustine.

The wedding is being planned for Saturday, Oct. 18, at the Missionary Baptist Church in Canal Point.

Miss Williams, a graduate of Pahokee High School, class of 1951, is attending Massey's Business College in Jacksonville.

Mr. Nelson also attended Massey's Business College after graduating from Ketterlines High School in St. Augustine. A member of the U. S. Naval Reserve, he is at present employed by the Florida East Coast Railway Company in St. Augustine.

137 Register For Local School Term

The enrollment of pupils at the Canal Point School totaled 137, first through eighth grades, on the opening day, Monday, according to the new principal, Clyde W. Alley, who said this is slightly above last year's registration on the first day of school which was 133.

The largest increase of enrollment at Canal Point was, as in most of the other schools in the County, in the first grade which had a registration of 23 pupils this year as compared to 14 first graders on the first day of school last year.

The registration in the other grades: Second grade, 17; third, 17; fourth, 18; fifth, 18; sixth, 15; seventh, 13; eighth, 16.

Miss Clara Nell McClenthan has returned to Sarasota after a recent visit with her father, William McClenthan, and family in Pahokee.

Bride's Shower At Woman's Club Mrs. Albert Garcia, Jr., Of Tampa

Mrs. Inman W. Weeks, Mrs. Elmer Jones and Mrs. A. J. Spencer entertained at the Woman's Club building with a party and bride's shower honoring Mrs. Albert Garcia, Jr., of Tampa, who before her recent marriage was Joy Padgett, daughter of Mr. and Mrs. Duncan Padgett of Pahokee.

The hostesses used arrangements of pink hibiscus and maiden hair fern for decorating the clubhouse. The refreshments table, covered with an embroidered madras cloth, was centered with a crystal punch bowl with lighted white tapers in crystal holders at either end. Mrs. Elmer Jones presided at the punch bowl.

At the center of the gifts table was a miniature bride and groom

in a garden setting of greenery. Mrs. Vance Denton was in charge of the bride's book.

Mrs. Spencer introduced Myra and Verlyn Jones who danced and sang popular numbers, accompanied at the piano by their father, Elmer Jones. Miss Carol Carpenter played piano selections and Gloria Miriam Smith danced a ballet number as she was accompanied at the piano by her mother, Mrs. Sydney K. Smith, Jr., of Belle Glade.

Guests wrote their favorite recipes on cards which were presented to the bride in a filing cabinet.

Mrs. Duncan Padgett assisted her daughter with the opening and display of the many gifts.

Yvonne Lee Fraser And William Davenport Married In Pahokee

The First Methodist Church in Pahokee was the scene of the wedding of Miss Yvonne Lee Fraser, daughter of Mr. and Mrs. Lewis Julian Fraser, Pahokee and William Dendall Davenport, son of Mrs. H. O. VanBuren, Tampa, Sunday, Aug. 31, at 3:30 p. m.

Vows for the candlelight, double ring ceremony were read by Dr. Rembert A. Guy, pastor. The altar was decorated with floor baskets of white pompons and daisy crysantheums against a background of palms. The altar rail was entwined with fern. White satin bows marked the pews and the wedding scene was lighted with cathedral tapers in branched candelabra.

Robert O. Lampi, baritone, and Mrs. Sydney K. Smith, Jr., organist, presented the program of nuptial music preceding the ceremony. Mr. Lampi sang "Because," "Oh, Promise Me" and "The Lord's Prayer."

The bride, given in marriage by her father, wore a gown of white satin and chantilly lace designed with a square yoke bordered with seed pearls. The lace bodice was gathered over the shoulders and the tight sleeves were pointed at the wrist. The skirt, extending into a cathedral train, was bordered with applied flounce of chantilly lace. Her three-tiered French illusion veil of fingertip length fell from a lace bonnet adorned with seed pearls. She carried a shower bouquet of lilies of the valley and tuberoses centered with a white orchid. A cameo necklace, worn by her paternal grandmother on her wedding day, and an heirloom hand-knitted handkerchief completed the bride's costume.

The bride's attendants were Mrs. Franklin E. Gillis, North Carolina and Pahokee, matron of honor; Mrs. Ralph White, Jr., Gainesville, and Mrs. William M. Bowen, Jacksonville, bridesmaids; Miss Nita Fussell, Tampa, bridesmaid; Nancy Thomas, Pahokee, junior bridesmaid, and Marilyn Mock, Pahokee, flower girl.

The bride's attendants all wore

gowns of nylon net over satin, styled with fitted bodices and fisher stoles. Their halo head-dresses were of matching nylon net and they carried large circular bouquets of pelegonia carnations. The flower girl carried a basket of carnation petals. All the gowns were of a Nile green color except for that of the matron of honor, which was coral.

H. O. Van Buren of Tampa was Mr. Davenport's best man, Ernie Schultz, Clearwater, Harry Waltson, Tampa, and Ken F. Hine, Sarasota, were ushers.

Following the ceremony, Mr. and Mrs. Fraser were hosts at a reception at Cypress Lodge, Port Mayaca. Red and white carnations were used as floral decorations and the bride's table, covered with lace, had as a centerpiece the traditional tiered wedding cake.

Mrs. George H. Tucker, Jr., was in charge of the bride's cake. Others assisting with the reception were Mrs. Rupert Mock, Mrs. Lewis Friend, Mrs. Clyde Alley, Mrs. Leon Spooner, Mrs. R. R. Long, Mrs. James H. Willson, Mrs. E. J. Graham, Mrs. Thadd Whidden, Mrs. Alma Farrow, Mrs. M. D. Geiger and Mrs. G. Lawton Sims.

For her wedding trip to the Great Smoky Mountains the bride changed to a yellow and white orlon suit with white accessories and orchid corsage. After their honeymoon Mr. and Mrs. Davenport will make their home in Gainesville where both plan to complete their senior year at the University of Florida.

Out-of-town guests attending the Fraser-Davenport wedding were Mrs. Julia Fraser, Mrs. Frances Churchill and Mr. and Mrs. L. L. Wadford, Largo, Fla.; Mr. and Mrs. Vernon Fraser and son, V. G. Fraser, Dunedin; Mr. and Mrs. Carl Roberts, Fort Myers; Ralph White, Gainesville; Mr. and Mrs. W. P. Jernigan, Billy Jernigan, Miss Eleanor Jernigan and Mr. and Mrs. K. Swayne, Clewiston; Mrs. Harry Walston,

Tampa Mrs. Kenneth F. Hine, Sarasota; Miss Charlotte Dyer and Miss Lois Dyer, Boynton Beach; Mr. and Mrs. V. T. Whitley and Miss Betty Marie Whitley, Fort Lauderdale; Miss Marilyn Russell, Miss Ann Symmes and Malcolm Johnson, Miami; Mr. and Mrs. Billy Rogers and daughter, South Bay; Mr. and Mrs. Bill Bosworth, West Palm Beach.

Rosenberg Funeral Flowers Sent To Hospital, Cemetery

The body of the late Harold Rosenberg was sent to Miami Wednesday for cremation. Flowers from the funeral on Tuesday were distributed to the Everglades Memorial hospital in Pahokee and to the many graves at Port Mayaca. At the request of Mrs. Rosenberg the many beautiful baskets of flowers were sent to the hospital and dozens and dozens of wreaths and sprays were sent to the Port Mayaca cemetery where they were distributed over the graves there.

FLORIDA LEADS AGAIN -- Tourists continue to "get sand in their shoes." Result--Miami for the fifth consecutive year led all U.S. metropolitan areas in new dwelling units per 1000 population--has also taken the lead in '52. Miami's 27 units per 1000 population for '51 were more than double Washington, in second place with 13, and Los Angeles, in third place with 12.

ELECTRIC BILLS LOW -- Recently released report of the Federal Power Commission shows that, in general, monthly bills for electric service in U.S. remain at substantially the all time low levels established in recent years. FP&LCo. has followed the national pattern. Revenue from all household electricity sold has dropped from 3.84¢ per kilowatt hour in 1941 to 3.36¢ per kilowatt hour last year, down 12.5%. Currently, FP&LCo. is within one-half cent per kilowatt hour of the national average for the industry... even though it has no natural gas, water power or nearby coal fields... imports costly fuel oil from distant ports. 90% of U.S. power comes from cheaper sources.

MORE NEW INDUSTRIES -- In the spotlight, too, is Florida's expanding industrial activity with a wide variety of new light industries operating profitably. Chlorophyll extraction, ramie processing, ceramic tile manufacture, chemicals and plastics are among recent additions.

AIR CONDITIONING TREND -- A swing through Florida resort centers this summer reveals a marked trend toward air conditioning in hotels, apartments and motels. Existing accommodations are being converted with individual room-cooling units. Newer places have central systems.

FEC DELIVERS GOODS! -- The "rotor" for new FP&LCo. generator at the Cutler plant was the largest single shipment Florida East Coast Railway ever handled... 254,000 lbs. Safe arrival keeps the installation "on schedule" for completion in November... in time for expected banner season.

HOME BUILDERS KNOW -- Public demand for all-electric kitchens is reflected in plans of builders of large home projects. Six major Florida projects totalling 1700 units have been announced in the past few months. All have completely equipped electric kitchens.

DOLLAR BUYS MORE ELECTRICITY -- A leading national magazine has published an extensive study of the dollar, showing that inflation has whittled purchasing power down to 53¢ compared to 1939. Only in electricity will the dollar buy more... Highlights of the study, which points out that electric power is the best buy in the whole field of cost-of-living items, are shown in charts below.

BIG LIFT to Better Farming

Better farming, new methods and machines, better livestock, and improved marketing are helping bring about a new era of progress and prosperity in Dixie.

Rural telephones (they tripled in number since World War II in the area served by Southern Bell) are bringing a big lift to farm work and farm living. During the first eight months of this year, we installed more than 92,000 rural telephones.

We'll keep on putting them in as fast as we can—because we know how much they mean to prosperity on the farm and in town... and to a strong, well-fed America. More farm telephones also mean more valuable telephone service for everyone.

Christian Science Group Of Canal Point

Theme of Christian Science services next Sunday is that spiritual understanding precedes a realization substance. The subject of the Lesson-Sermon is "SUBSTANCE." A verse from Hebrews (11:1) furnishes the Golden Text: "Faith is the substance of things hoped for, the evidence of things not seen."

Bible selections include "Doth not wisdom cry? and understanding put forth her voice? I lead in the way of righteousness, in the midst of the paths of judgment: That I may cause those that love me to inherit substance; and I will fill their treasures" (Proverbs 8: 1, 20, 21).

Among citations from "Science and Health with Key to the Scriptures" by Mary Baker Eddy are: "Spiritual sense is the discernment of spiritual good. . . . This understanding is not intellectual, is not the result of scholarly attainments; it is the reality of all things brought to light" (p. 505).

WSCS Group Adopts Budget For 1952-53

Members of the First Methodist Woman's Society of Christian Service adopted the 1952-53 WSCS budget, as recommended by the budget committee, at a meeting in the church Tuesday night, with Mrs. Arch Blakey, the new president, presiding.

Mrs. Manning I. Keen was named student work secretary to fill the vacancy left by the resignation of Mrs. Milton Carpenter. The group voted to present a copy of the WSCS cook book as a gift to every new member, to notify all members by mail the time and place of general meetings and to serve light refreshments at each of these meetings. The traveling attendance pin was awarded to the Mabel Simonson Circle for September.

Mrs. J. R. York, program chairman, introduced Ben Roberts of Fort Mayaca, guest speaker, who gave a talk on "Current Platforms of the Democratic and Republican Parties." Mrs. C. A. Shive reviewed Dr. N. V. Peale's article, "Praying for Guidance in Our Choice of President." Mrs. L. W. Armstrong gave a reading of "The New Declaration of Independence."

At the conclusion of the meeting refreshments were served by Mrs. Lloyd Hundley and Mrs. George Ramey, members of the Gertrude Shirley Circle.

Circle Meetings

Members of the Mabel Simonson Circle, Pahokee First Methodist Woman's Society of Christian Service will hold their September meeting with Mrs. H. J. Anderson at her cottage at Miramar Courts, Riviera Beach, Monday, Sept. 15, with a picnic lunch at noon.

The Gertrude Shirley Circle will meet at the home of Mrs. Robert Hatton, with Mrs. D. W. Cunningham, at 8 p. m.

The Mary Martha Circle will meet at the home of Mrs. Dick Parrish, with Mrs. Hugo Boe, co-hostess, at 8 p. m.

This means more money to you!

**NOW YOUR U. S. SERIES E BONDS CAN EARN INTEREST
10 EXTRA YEARS**

ALL YOU WISE and patriotic people who bought United States Series E Bonds ten years ago and have held them can benefit by this new law! For according to this law the bonds you expected to mature finally in 1952 can now continue to earn interest every year for ten more years—till 1962—without your even lifting a finger!

To get this extra money, there's absolutely nothing you have to do. Just hold your bonds and let them go on earning!

If you wish, you may still cash any Series E Bond at any time after you've owned it for sixty days. But you'll be better off to hold your bonds, just as you're better off to hold savings in any form.

First of all, as long as you don't cash your bonds, you don't have to pay income tax on the interest they earn. In the second place, cash in the pocket melts away fast—often with little or nothing to show for it. But cash in bond savings is always there—growing steadily toward the big sum which can buy something really worthwhile . . . And remember—the interest rate on Series E Bonds has been increased to 3% compounded semi-annually, when held to maturity.

So if you have bonds coming due, why not take advantage of your extra-income opportunity? Just sit back and let them go on mak-

ing more money for you. And meanwhile keep adding to your cash savings by buying more U. S. Defense Bonds regularly—through the Payroll Savings Plan where you work. It's the easy, systematic saving plan that's so helpful because it lets you save before you even draw your pay. Thousands on the Plan say it's the one sure way to save.

3 NEW MONEY-MAKING OPPORTUNITIES FOR YOU!

*New Series H, J, and K
Defense Bonds pay 2.76% to 3%!*

If you want to get the interest on your bonds in the form of current income, or if you want to invest more than the annual limit for E Bonds, ask at any Federal Reserve Bank or Branch about these new bonds:

SERIES H. A new current income bond, available in denominations of \$500 to \$10,000. Sold at par. Matures in 9 years 8 months and pays approximately 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Annual limit, \$20,000 maturity value. Issued only by Federal Reserve Banks and Branches and at the Treasury.

SERIES J. A new 12-year appreciation bond, available in denominations of \$25 to \$100,000. Sold at 72% of par value. Pays 2.76% compounded semiannually if held to maturity. Annual limit, \$200,000 issue price jointly with Series K Bonds.

SERIES K. A new 12-year current-income bond in denominations of \$500 to \$100,000. Pays interest semiannually by Treasury check at the rate of 2.76% per annum. Sold at par. Annual limit, \$200,000 issue price jointly with Series J Bonds.

Feather Weights Feature Grid Team Of Pahokee High

The Pahokee High Blue Devil football squad, after two weeks of preschool "toughening-up" exercises under the direction of their new coach, C. W. Pell, donned their practice uniforms last week and plunged into the bruising work of testing their plays in scrimmage.

Coach Pell, who was head football coach at Wilmington, Ohio, for the past four years, has around 25 boys to work with in the building of the 1952 Blue Devil team and for the most part the boys are light in weight. He starts his plays from a "Split-T" formation and because of his feather-weight material, is stressing speed and precision of action at practice sessions. He is being assisted in his coaching work by Assistant Coach

Bill Howard who gives most of his attention to the line.

Forming the nucleus of this year's Blue Devil squad are eight returning lettermen: Bill Hutton, Benny Sims, Gordon Hoyle, Tommy Elliott, Roy Spooner, Hal Rosenberg, Lewis Pope and Jimmy Rozelle.

Other candidates for the 1952 Blue Devil team are Eugene Buchanan, Eugene Caruthers, Edwin Stuart, Don Beverly, Jimmy Hoyle, Harry Levins, Leland Beeton, Kent Wetzel, Danny Mullis, Elmer B. Elliott, Ronnie Elliott, Pat Turbeville, Chat Clark, Joe Parker, Calvin Padgett and Morris Hughes.

The Blue Devils will open their 1952 season with a Suncoast Conference tilt with the Clewiston Tigers at Clewiston Friday night, Sept. 19. Fans may get a pre-season view of the teams of the Glades area at the Lions Football Clinic on Lair Field this Friday night, at 8 p. m.

Spaghetti Supper

Members of the intermediate department of the Pahokee First Baptist Sunday School enjoyed a party and spaghetti supper at the church Friday evening in celebration of the successful end of an attendance contest which was started at the beginning of the

summer. Members of Alex Johnson's class, winners of the contest were guests of honor. Mrs. Clyde Brown, department superintendent, was in charge of arrangements.

Mr. and Mrs. Malcolm Millar are in Durham, N. C. where he is a patient at Duke Hospital.

WE'LL tell you the answer to that one — it's the figures on the price tag.

For some reason, lots of people just can't believe they can buy a Buick at a price so close to "the low-priced three."

Maybe it's because a Buick seems so much better and bigger.

Maybe it's because they think Buick has so much more power and room—which is true.

Maybe it is because so many distinguished people own Buicks—which is also a fact.

But the fact remains—if you can afford a new car, you can own a Buick — so let's see what you get.

You get the thrilling power of a Fireball 8 Engine, that's a gas-saving high-compression valve-in-head—as much power as you can get in cars costing \$300 to \$400 more.

You get as much room as you'll get in cars costing hundreds of dollars more.

You get a ride that cost an honest-to-goodness million dollars to develop.

You get the silken smoothness of Dynaflo Drive.*

You get big-car comfort, styling, durability.

Don't take our word for it. Come in and see for yourself why so many folks are stepping up to this great car this year.

Equipment, accessories, trim and models are subject to change without notice. *Standard on Roadmaster, optional at extra cost on other Series.
